# Queries

The ideals of Christian living which the Friends hold are impressed upon the members of the Religious Society of Friends by these Queries which are read in Monthly Meeting three times a year, and also in some cases at the close of a First-day morning meeting for worship.

# QUERIES

1. Are all meetings for worship and discipline duly held, and are you regular and punctual in attending them?

2. Do you love one another as becomes the followers of Christ? Are you careful of the reputation of others? When differences arise, do you make earnest efforts to end them speedily?

3. Do you earnestly seek to maintain life in fellowship with the Lord Jesus Christ? Do you practice the daily reading of the Scriptures in your families, giving time for reverent waiting upon the Lord? Are you watchful not to be unduly absorbed by temporal affairs? Are you careful to avoid all places and amusements inconsistent with a Christian character?

4. Do you provide for the suitable Christian education and recreation of your children and those under your care, and endeavor to train them for upright and useful lives? Are you thoughtful and careful to supervise their social activities and to guard them against harmful reading and evil associates? Do you encourage them to read and study the Scriptures? Do you prayerfully seek the guidance of the Holy Spirit on your efforts for their conversion and growth in grace?

5. Do you abstain from the use of intoxicating liquor as a beverage? Do you faithfully

encourage by example, vote and jury duty the enforcement of all laws and regulations relative to the traffic in intoxicating liquor and narcotics? Do you intelligently exercise your constitutional privilege of the franchise and thus seek to promote Christian influence locally, nationally and internationally?

6. Do you consistently practice Jesus' spirit and teaching of love and goodwill to men? Do you support every Christian movement to do away with war and preparation for war? Do you endeavor to make clear to all whom you can influence and especially our own youth, that war is utterly un-Christian and cannot be reconciled with the spirit of Christ?

7. Do you observe simplicity in your manner of living? Do you frequently inspect your affairs and settle your accounts? Are you careful to live within your income and avoid involving yourself in business beyond your ability to manage? Are you just in your dealings, punctual to your promises, prompt in the payment of your debts and free from defrauding the public revenue? Do you refrain from taking or administering oaths? Are the necessities of those likely to require aid inspected and relieved?

8. Do you make diligent effort to acquaint yourselves and those under your care with the spiritual needs of the world; and do you support by prayer and systematic giving those who are laboring to extend Christ's Kingdom?

Theodora W. Hall Clerk

The following communication was prepared to be sent to Governor Fred H. Brown, Mayor Charles D. Walden of Dover, William S. Davis of Rochester and Peter Hague of Somersworth.

The Dover Monthly Meeting of Friends, held at Dover N.H. Aug. 13th appointed us a committee to carry you a letter of remonstrance in regard to the observance of "Defense day" Sept. 12.

Dr. Frederick Lynch, editor of the Christian Work has just returned from Europe. He says: "All the nations of Europe are now beginning to ask what the U. S. has hidden in its mind." There is nothing that has been done in this country that would do more to remove the ill will between this and other nations than the clamor we have had in September".

Secretary Hughes said recently, so far as we can see into the future we are safe from the slightest danger of aggression. We know that in our power responsible consideration of powers is any menace to our security.

There is no reason to vindicate our power authority for no one challenges it. There is no occasion to demonstrate our ability to take care of ourselves for no one doubts it.

We all want peace. Even the Secretary of War claims that is a leading question. But we are afraid that its influence on the youth will be to lead to preparedness and to glorify their willingness to fight when called upon, thus mortgaging their future usefulness, and expecting their regeneration by great military display and by speeches resembling military orders as the only true patriotism will have just the opposite effect. So for the sake of our international relations, now so peaceful for the sake of the Christian consciousness of the nation, and their true consecration, for the sake of our youth who will receive this great sham propaganda under the name of patriotism, we ask you to join with Governor Milliken of Maine and Governor Morehead of Nebraska and have nothing to do with the civic observance of the day. Let the military companies parade if they wish, but make no public display and encourage no school boy leaders and propaganda

Signed on behalf of the Monthly Meeting
